We provide training courses at other locations in the UK and Ireland on request.

For further information please refer to our website <http://www.altitec.co.uk/academy/>

or call us at 020 7474 5034.

#### How to book your training course:

- Book your course online on <http://www.altitec.co.uk/academy/training-courses/>
- Give us a call at 020 7474 5034

We will send you a pro forma invoice that should be paid 14 days prior to the training course. Please note that only received payment will confirm your course booking.

Payment options: BACS transfer, PayPal, Credit Cards.

Note: Training courses are subject to minimum 5 attendants

Are **YOU** seeking a future inspecting and repairing wind turbine rotor blades by riding a rope bike instead of climbing a rope? That's what **WE** do! So please stay tuned and become a fan on **Facebook/Altitec**.

More than that Altitec Ltd proudly became trade partner of Swedish ACTSAFE Ascenders in 2010. **ALTITEC ACADEMY** provides ACTSAFE training and we are certified distributor and authorised service provider for the UK, Republic of Ireland & Baltic Countries. Please contact us for more information, ACTSAFE product range and prices!
